# When the coats comes in handy:

-  After the rain to dry your dog and protect your car and home from pollution
-  On a trip after getting your dog dirty and wet
-  After being out in the rain
-  After swimming or getting muddy in the countryside ( your clothes will stay so clean and dry ...)
-  On summer days for temporary cooling and prevention ( **not to be used on an overheated dog !** )
-  In winter and snow play
-  For travelling to the mountains and the sea
-  After shampooing and bathing at home
-  After hydrotherapy, spa treatments and bathing in the pool
-  As a classic outfit to keep your dog warm

## all in a practical package

The robe includes a practical waterproof bag, for storing your dirty and wet coats. Everything stays clean and dry.
